Reporting

If the alleged misconduct took place on the field of play, did you report the matter to the (other) umpire and the player(s) captain, requesting the latter to take action?

In your opinion, did the player's captain take appropriate action?

Did you inform the Player(s) that you would be reporting the incident(s) to the League for disciplinary consideration?

Did you report the incident(s) to the Player(s) Captain and inform them that you were taking the matter further?

Description of incident

Incident Report Form

Colleague's involvement

Did your colleague witness the incident?

Is your colleague able to support your version of events

If the answer to either of the above questions is No, it is important that you have indicated in your report what your colleague can and cannot corroborate.
